# Navegación

The image displays three examples of navigation bars, each with a different theme and color scheme. Each bar contains a logo on the left, followed by a title and a subtitle, a search input field, and a search button.

- Inverse:** The bar has a dark background. The logo is a teal circle with 'w' and 'N'. The title 'Inverse' is in white, and the subtitle 'Widgets' is in a lighter gray. The search input is white with gray text, and the search button is a red-outlined rectangle with red text.
- Danger:** The bar has a red background. The logo is a teal circle with 'w' and 'N'. The title 'Danger' is in white, and the subtitle 'Widgets' is in a lighter gray. The search input is white with gray text, and the search button is a red-outlined rectangle with red text.
- Custom Color:** The bar has a yellow background. The logo is a teal circle with 'w' and 'N'. The title 'Custom Color' is in black, and the subtitle 'Widgets' is in a lighter gray. The search input is white with gray text, and the search button is a yellow-outlined rectangle with yellow text.
